Recycle-a-Bike

is a volunteer-run community bicycle center. Established in 2001 in South Providence, Recycle-a-Bike promotes bicycling as a safe, fun, sustainable, and empowering mode of transportation. We provide the greater Providence community access to the skills and resources to maintain, repair, and build bikes in a workspace where all are welcome.

Mechanics A Go-Go

Sundays noon - 4:00 PM in Armory Park
(weather permitting)

Bring your bike for free bike repair.
